PROFILE

Disciplined and adaptable individual with hands-on experience across aviation ground operations, automotive maintenance, and military service. Strong track record of teamwork, reliability, and quick learning in fast-paced, physically demanding environments. Seeking to bring practical technical skills and a strong work ethic to a growth-oriented role.

EMPLOYMENT HISTORY

Dec 2025 — Present

Reservist, Royal Canadian Armed Forces — 31st Signal Squadron

- Complete military training and operational readiness exercises as part of a part-time reserve unit.
- Collaborate with fellow reservists to maintain clear communication and coordination during exercises.
- Participate in community outreach initiatives, strengthening relationships with local organizations.
- Build discipline, leadership, and teamwork skills through structured military training.

Jul 2025 — Present

Assistant Mechanic, Mats Auto Sales — 413 Albert Street, Waterloo, ON

- Assist professional mechanics with vehicle diagnostics and repairs, gaining hands-on technical knowledge.
- Perform routine vehicle maintenance, including oil changes and lighting repairs/replacements.
- Support senior mechanics with tools, parts organization, and labor on larger repair jobs.
- Maintain a clean, organized shop environment to support efficient daily operations.
- Contribute on a full-time (9 a.m.–5 p.m.) basis while continuing to expand automotive repair knowledge.

May 2025 — Aug 2025

Line Service Technician (Co-op), Chartright Air Group — 29 Jetliner Ct, Breslau, ON

- Supported daily ground operations in a fast-paced aviation environment, assisting customers and ground crew.
- Maintained cleanliness, organization, and safety standards across hangars and workspaces.
- Handled physically demanding tasks reliably under time pressure during a full-time (7 a.m.–4 p.m.) term.
- Gained direct exposure to aviation industry operations and workplace safety protocols.

Nov 2024 — Mar 2025

Ski Instructor, Chicopee Ski Resort

- Taught skiing fundamentals and technique to students of varying skill levels, adapting lessons to each learner's pace.
- Prioritized student safety on the hill while building confidence and encouraging progress.
- Communicated clearly and patiently with students and parents in a fast-paced seasonal environment.
